An Encouraging Message

A Note from Bro Ian Brander of Newcastle

To my northern brothers and sisters, some words of encouragement...

Through much tribulation, we must enter into the kingdom of God.

Acts 14:22 *Confirming the souls of the disciples, and exhorting them to continue in the faith, and that we must through much tribulation enter into the kingdom of God.*

God's people have their trials, never chosen to be untried, chosen in the furnace of affliction, not chosen for worldly peace, earthly joy, freedom of sickness or absence of pains.

Our Lord's list of privileges includes:

- Chastisements for His heirs
- Predestinated/stars created and orbits fixed so our trials are allotted to us
- Ordained their season and place/intensity and effect

Never expect to escape troubles. If so, you'll be disappointed. Mark the patience of Job. Remember Abraham. By his faith, Abraham overcame to become the "father of the faithful". Patriarchs, prophets, apostles and martyrs – passed through the fire of affliction – ordained of old and the cross of trouble with His mercy and grace.

As the royal seal upon the King's distinguished vessels of honour, knowing He goes forward before it. His presence, grace and example supports us. It will be worth it all!

God bless you

Impact News

Update from Bro Michael Travers

As a group, we are all growing together in unity.

We were happy to see two of our youth members married (Samantha to Cardhu and Maddy to David). We pray that this will be the beginning of a Holy walk with Jesus with lots of fruit to follow.

It's great to see that we are getting so many young people turning up and supporting our events (both activities and spiritual nights). Visitors are starting to be invited and a world full of IDENTITY-DEPRIVED youths are starting to be reached....we truly are making an "IMPACT"!

Aunt Marg's Kitchen

Chocolate Peppermint Slice

Makes 16

- * 300g dark chocolate
- * 3 drops peppermint essence OR peppermint liqueur if you wish
- * 150g white chocolate

Line a 20 cm or 8 inch square cake tin with baking paper. In a microwaveable bowl, melt the dark chocolate, stirring every 30 seconds until nice and smooth. Add peppermint essence and stir. Spread half the mixture evenly over bottom of tin. Set in fridge for 5 minutes. Melt white chocolate melts the same way then stir in green food colouring. Spread this over layer of dark chocolate and then refrigerate until set. Spread remaining dark chocolate over white/ green chocolate layer and set in fridge. Cut into pieces and store in fridge.
